How does Entrepreneurship Weekend Immersion Program™ help you?

The program is structured to blend theory with practical application, ensuring participants gain comprehensive insights, tasters and hands-on experience in their chosen field. Engaging workshops, expert panels, and interactive sessions provide a unique learning environment, fostering networking, personal growth and career clarity.

Through this weekend immersion program™, you will receive:

Real World Experience

Learn about different roles through dynamic simulations, gaining firsthand insight into the challenges and rewards of starting your own business.

Comprehensive Career Insight

Experience the intricacies of entrepreneurship from concept to market, providing a well-rounded understanding of what it takes to succeed in this field.

Guided Career Clarity

Experiment with entrepreneurship in a supportive environment, helping you identify if this path aligns with your skills and passions.

Tangible Portfolio Additions

Build an impressive real-world live project that showcases your entrepreneurial abilities and enhances your college and job application.

Who is Entrepreneurship Weekend Immersion Program™ for?

Ideal for young innovators and future entrepreneurs eager to explore the journey of starting and growing their own businesses.

Teenagers

For 15-19 year students brimming with innovative ideas and seeking a platform to learn how to bring these ideas to life.

School Students

School going (15,16 year old) students in classes 8th,9th,10th looking to explore entrepreneurship as a potential career path and understand the basics of starting a business.

High School Students

Class 11,12 students who are deciding their undergraduate degrees and are curious about exploring entrepreneurship or have their own startup idea.

Undergraduates

Students who are in their first or second year, enrolled in any discipline or degree, have their own startup idea or are just curious about entrepreneurship.

Day 1 focuses on understanding entrepreneurship, identifying opportunities, and the basics of creating a business model. Interactive sessions on the entrepreneurial mindset, idea generation, and the significance of entrepreneurial teams and leadership set the foundation.

SCHEDULE FOR DAY 1

Understanding Entrepreneurship and Starting Up	
9:00 AM to 9:30 AM	Introduction and Icebreaking
9:30 AM to 10:45 AM	The Entrepreneurial Mindset and self-assessment
